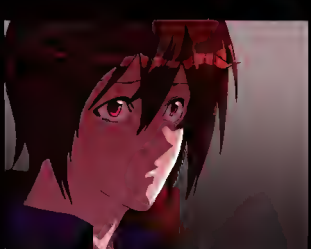
Chapter 21
(Tower of the Goddess Part 8)

I've said it before and I'll say it again, but you're acting too impulsively.
The key to solving this mess is in that guy's hands.
LONE MANGA
If you kill him now, you eliminate that chance, as well.

So with the couple of hours we have left, you want to go about without knowing anything
and instead, you want to mess around with this guy?
We won't do such things, we'll kill him.
The Goddess might even come back to life.
I agree on killing him, but...
LONE MANGA
we don't have a weapon
How are we going to kill him?
Do you guys all remember?
Like the last leader said, we all agreed to something

Ah... those who are not staying here will all be below the 2nd floor.
and the only one with access to the third floor is in the hands of the leader.
Alright!
Let's go get the key from the leader!



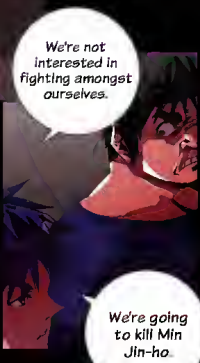
knock
knock

What is it? Don't bother me.
GLARE
Can you guys stop caring about me now?

Give me the key to the third floor.

No.

If I give you weapons right now,
there'll be a bloodbath.



We're not interested in fighting amongst ourselves.
We're going to kill Min Jin-ho.

You don't have to worry afterwards.
If one of us starts threatening someone, the four of us will subdue them.
If you understand, stop talking
and give us the damn key!
You don't need a key.
but a single knife.
Step back for a second.
!!
!f you don't want your eyes to get hurt.
CRASH!!

SHATTER
fall
fall

clatter

drop

CLANG

Take that and leave.

I don't want to take a single step out of this room.
WHIK
so don't come visit me from now on.

reach

We have the weapon,

but who's going to kill him?

The one to kill...

Min Jin-ho...

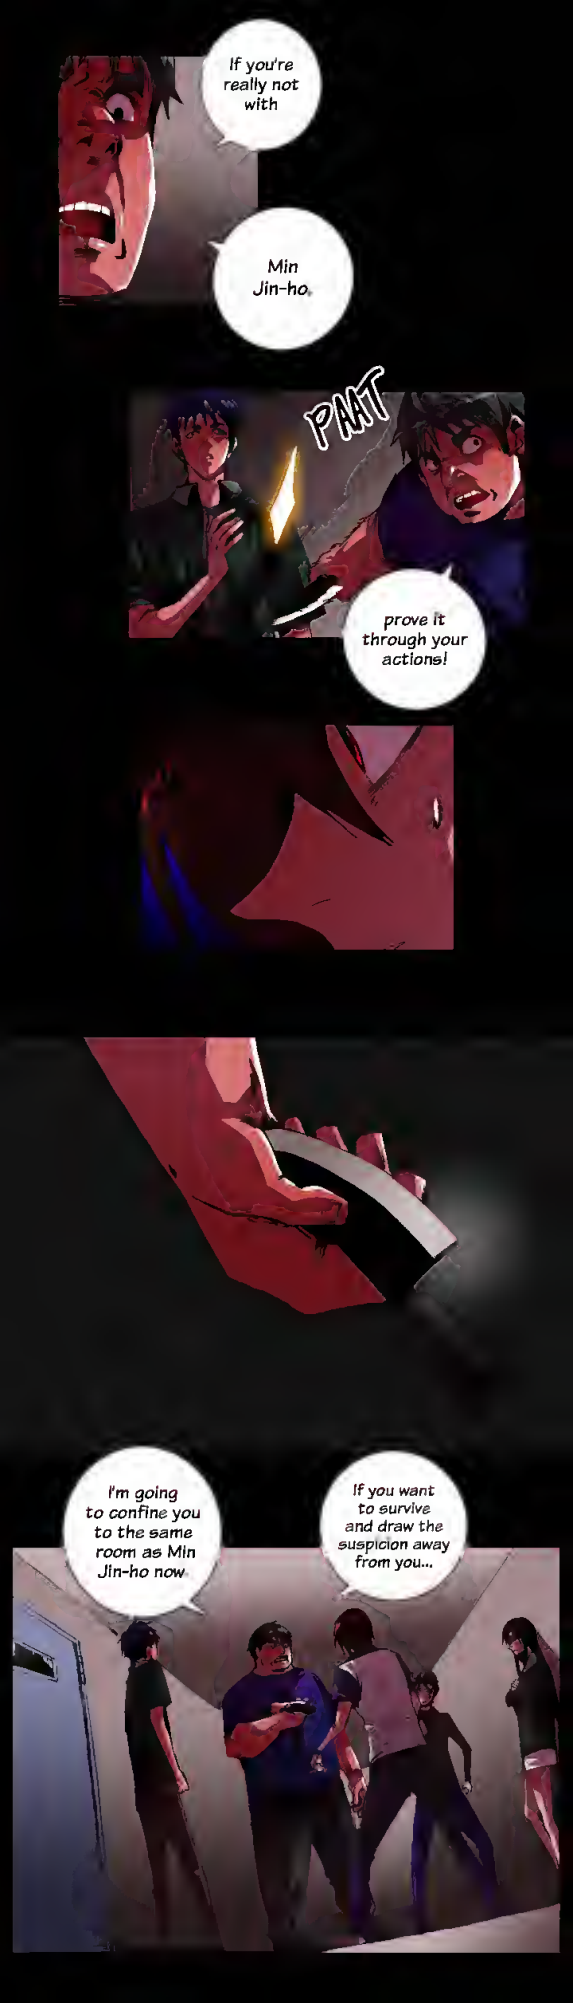
Do you even...

need to ask?

Lee Hyun-soo!

?!

Min jin-ho said that
he was your friend earlier, right?
He... He said that to get what he wanted...
Aren't you really his partner...
and killed the Goddess with him?
N-No, I didn't!!
I don't have anything to do with him!
LOVE MANGA!
Why the hell are they looking at me like that?!
Are they suspecting me?
I really...
don't have anything to do with him...



If you're really not with
Min Jin-ho.
PAAT
prove it through your actions!
I'm going to confine you to the same room as Min Jin-ho now.
If you want to survive and draw the suspicion away from you...
